

# RIVIERA ELITE

TECHNICAL DATA SHEET

## THE MODERN TOWER OF POWER

### STYLISH CONTEMPORARY DESIGN | POWERFUL HEATING SOLUTION

The Riviera Elite sets the benchmark in design with its minimal but elegant aesthetics combined with its solid and robust aluminium engineered construction.

It incorporates three heaters which offer up to 6kW of 360degree heat. The Riviera freestanding heaters are a flexible alternative to wall mounted models and offer much greater versatility in terms of where you require heat, especially in commercial restaurant settings.

Model	Voltage (V)	Lamps x Power (kW)	Total Power (kW)	Minimum height from floor	Minimum distance from ceiling	Minimum distance from side wall	Weight without guard	Body Dimensions (W x H x D) (mm)
RIV ELITE	230	3 x 1.5	4.5	NA	NA	NA	38kg	1020 x 2500 x 890
RIV ELITE	230	3 x 2.0	6	NA	NA	NA	38kg	1020 x 2500 x 890
